To Whom It May Concern:

Northern Nevada Literacy Council (NNLC) is a non-profit school for adult learners. NNLC educates more than 1,000 students per year, and these students include people obtaining their GEDs as well as foreign-born adults who take classes to learn to read, write and speak English.

For the past two years, we have been utilizing Jan Zebrack's books "Amazing Analogies-Book 1 and Book 2" for all of our classes including ESL and GED classes. The student are completely engaged with the words, the pictures/illustrations, as well as the cerebral engagement to figure out the analogies.

Ms. Zebrack recently published "International Analogies" which we are able to give to our foreign-born adults, and they are loving the connection with people from other countries—sometimes their own!

We recommend these books to use for our students, and we hope that you will, as well. If you have any questions, please do not hesitate to contact me at (775) 356-1007 or [Director@nnlc.org](mailto:Director@nnlc.org).

Thank you.

Sincerely,
